

Access a Customized Multi-State CE Curriculum for Adjusters

Let Our Team of Experts Design a CE Curriculum to Fulfill your Requirements

AdjusterCE™, a service of WebCE®, offers a comprehensive catalog of online courses to satisfy all continuing education subject requirements for independent adjusters and public adjusters. With AdjusterCE, you can complete CE for all required states at one time, with fewer exams and a lower cost!

Getting Started is Easy!

- 1) Call **1-800-488-9308** to speak with a WebCE AdjusterCE specialist.
- 2) Indicate the state you reside in
- 3) List all the states where you are licensed as an adjuster
- 4) Specify the non-resident state(s) you want CE certificates for
- 5) Tell us what type of claims you specialize or are interested in
 - Personal Lines (Auto, Homeowners, etc.)
 - Commercial Lines (Commercial Property, Liability, etc.)
 - Workers Compensation

Each AdjusterCE course is just **\$10.00 per course** for online access plus **\$5.00 per certificate** for each state certificate of completion requested. Additional charges for state filing fees may apply for some states, and will vary by state.
